BNP Paribas Miami Agency

Quick Start User Guide

(For use after your Secure ID card has been activated)

(Please call your Relationship Manager before reading this document)

Welcome to BNP Paribas Miami Priv@te Webline

(The Webline)

Before you can connect to BNP PARIBAS Miami Priv@te Webline (the Webline), please ensure you have received the following:

➤ Your RSA Secure ID card :

➤ Your Client User Name :

Your USER NAME which is in the following format :

1Mxxxxx ("xxxxx" represents numbers)

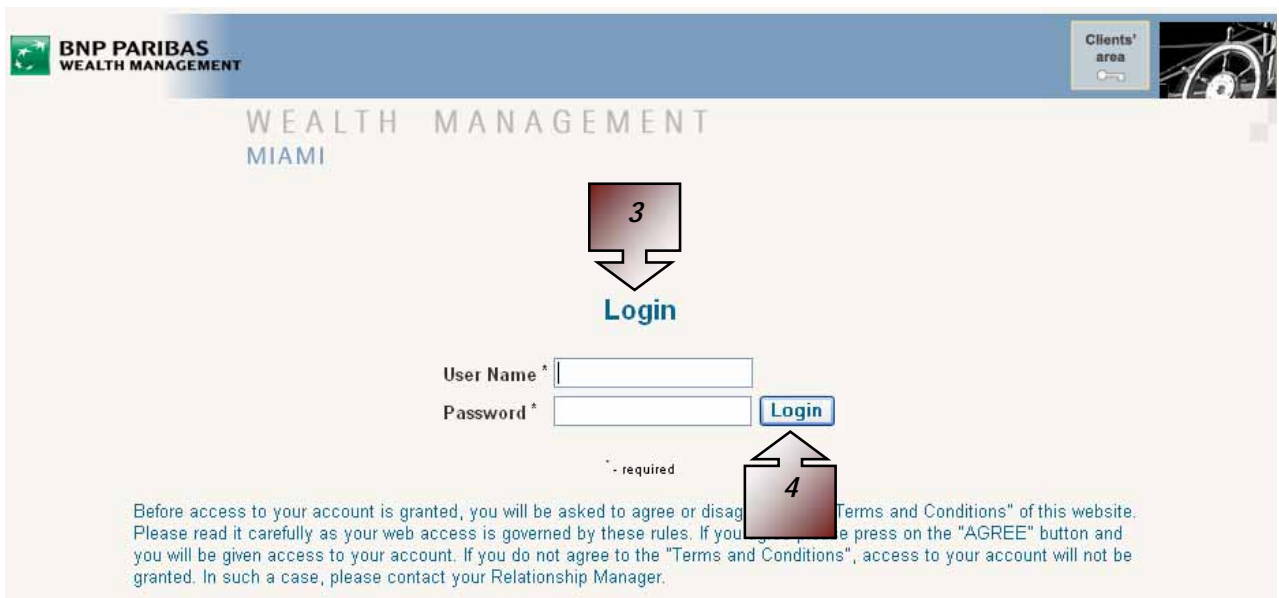

Once you have both of the above items in your possession, you must first call your Relationship Manager to activate your Secure ID card. Please allow up to 48 hours after you have spoken to your Relationship Manager to proceed with your first connection.

Logging in for the first time

1. Connect to the internet in your usual manner, and go to the following address on your web-browser : www.miami.bnpparibas.com
2. Select Clients' area in the top right-hand corner of the home page.

3. Complete the fields in the login screen as follows:
 - ➔ User name: your ID
 - ➔ Password: the four-digit code shown on the screen of your personal access card (RSA SECUR ID card) (Please be diligent as it changes every 30 seconds for security purposes)

4. Click Login

5. Every time you enter an incorrect information, a message " Error: Access denied" will appear on the screen. Repeat step 3 above until you have entered the correct information. (See step 11).
6. If the information you enter in the fields is correct, the "Change PIN" screen will appear and prompt you to create a personalized PIN code.
This code must consist of four digits.
7. Enter the code in the "New PIN" field and then enter it again in the "Re-enter PIN" field to confirm.

8. Click Submit

The four digits of the PIN code you have just created together with the four digits on your personal access card are your password which you must use in the future when you log into the system.

9. The "Login" screen then appears again, complete the fields as follows:

- ➔ User name: your client ID
- ➔ Password (8 digits): the four digits of the PIN code that you created in "Logging in for the first time" + the four digits shown on the screen of your personal access card.

Example :

PIN + numbers from Secure ID card = Password

1234 + 9876 = 12349876

10. Click login to access the Clients' area.

11. Advice in case you enter an incorrect password and/or client ID:

- When the "Error: Access denied" message appears, follow step 3 above
- For security reasons, access to the Clients' area of BNP PARIBAS Miami Priv@te Webline is blocked if you make ten incorrect attempts to enter your password and/or client ID. If this happens, contact your Relationship Manager to reset your personal access card and client ID.

Subsequent logins

1. Connect to the internet in your usual manner, and go to the following address on your web-browser : www.miami.bnpparibas.com
2. Select Clients' area in the top right-hand corner of the home page.

3. Complete the fields in the login screen as follows:

- ➔ User name: your client ID
- ➔ Password (8 digits): the four digits of the PIN code that you created in “Logging in for the first time” + the four digits shown on the screen of your personal access card.

4. Click **Login** to access the **Clients' area**.

In case you enter an incorrect password and/or client ID, Step 11 above also applies to “Subsequent logins”.
